

Hello and welcome,

I pray that the Holy Spirit will anoint every word of this teaching. I pray God will give divine revelation of the truth to every listener. In Jesus name. Amen.

I just want to remind you that Passover is April 15, at sunset this year, however, if you are not able to observe Passover on April 15, then you have a second chance on Sunday, April 15, at sunset.

I am going to continue to teach on the importance of the Passover and why it is necessary for Christians to know the truth and to observe the Passover. We live in very dark and unpredictable times. We need the following teaching to overcome the evil that is coming on the earth.

This is a very important Bible study that many modern Christians have been kept in the dark about and the Christian church has been deceived about because many think that the Passover only involves practicing Jews. Today I am teaching on nine distinct blessings that God promises to those who faithfully observe the Passover in Exodus Chapter 23 verses 20-33. So let's get started.

## I. DIVINE PROTECTION PROVIDED BY GOD HIMSELF

20 "Behold, I am sending an angel before you to protect you on your journey and lead you safely to the place I have prepared for you.

21 Beware of this Angel and pay close attention to him, and obey his instructions. Do not rebel against him, for he is my representative and my name *is* in him, and he will not forgive your rebellion or pardon your transgressions.

When we choose to observe the Passover at the true appointed time and method, God sends an angel before us for protection so we can accomplish our divine assignment. God is very serious about us observing His appointed feasts at the appointed times. The Passover is the first major feast and appointed time of each year. It sets the proper timing for all the other special appointed times that we are to worship and honor God. These appointed times are vital for the renewal of our relationship with God our source of all blessings, promises, and success to complete our divine purposes. You see as God expands our territory or ministry, the evil one fights us harder. When you reach higher levels, you will encounter worse devils. But when you connect with God at these Holy appointed times every year, you do not need to fear because you will have God's divine protection and Satan will not be able to distract or disrupt your ability to answer God's calling

on your life.

In addition, these appointed times are a foreshadowing and revelation of God's prophetic timetable of how and when Jesus will return and establish His Kingdom on earth.

So who is this angel? This Angel must have been the Lord himself. These verses tell us that God's Name or the Lord's nature was in Him. Therefore, the Son of God, must have been the Angel sent to lead and protect them on their journey. God also warns the people to obey this Angel and not to grieve His Holy presence. God cautioned them that there would be serious consequences for rebellion.

## II. Protection from the enemies opposing our divine purpose

22 But if you are careful to obey him, following all my instructions, then I will be an enemy to your enemies, and I will oppose those who oppose you.

23 For my angel will go before you and bring you into the land of the Amorites, Hittites, Perizzites, Canaanites, Hivites, and Jebusites, so you may live there. And I will destroy them completely.

This verse seems similar to the previous blessing of "divine protection," however, it has a unique difference. This verse teaches us that we become transformed through observing God's laws and feasts, like the Passover. By obeying and following all of the Angel's or the Lord's instructions we align our position and our hearts and our purpose with God's divine plan. When we are walking uprightly then satan has no legal right to accuse us of sin and disobedience. Consequently, we are in a position to be shielded from our enemies and we activate God's power and promise of protection.

## III. Receive Divine Authority

24 Thou shalt not bow down to the gods of these nations, nor serve them in any way or imitate their evil practices. You must utterly destroy them, and break down their idols and images of false gods and smash their sacred places.

In this verse, God is giving us a divine instruction to not worship false gods and to destroy any idols or images or sacred places erected to false gods. When God sees our willingness to obey his instructions, God gives us greater authority over satan's strongholds of influence and we are empowered to eliminate them from our family and our nation.

## IV. Wealth and Health

25 "You must serve only the Lord your God. If you do, I will bless you with food and water, and I will protect you from illness.

This blessing of the Passover promises supernatural abundance and divine health. It is very difficult to accomplish the assignment that God gives us if we are not healthy or we lack adequate resources. Also, God wants non-believers to see an obvious difference between the way Christians live and the way the sinners live. Christians are blessed so that we can be a blessing to a lost and dying world.

#### V. Protection for Fruitfulness and Long Life

26 There will be no miscarriages or infertility or barrenness in your land, and I will give you long, full lives and I will fulfill the number of your days.

This blessing promises to protect the fruitfulness of our womb and the ability to reproduce and multiply our offspring and also the productivity of our land. In addition, it promises to satisfy us with a long, full life to accomplish all the purposes of God for our life and to leave a legacy and inheritance.

#### VI. Our enemies will fear and respect us

27 "I will send my terror and fear ahead of you and I will cause confusion and create panic among all the people whose lands you invade. I will make all your enemies turn and run away from you.

In this verse God promises to make our enemies fear our power and authority and our relationship with God. When we are living in a hostile land or enemy territory God will provide protection from the distraction of constant attacks. God will cause our enemies to understand that they will pay a high price to disturb us. God will make it cost the enemy too much to want to attack one of His children.

#### VII. Relief from the Threat of Enemies

28 I will send hornets and terror ahead of you to drive out the Hivites, Canaanites, and Hittites.

If you live in worry and anxiety you will be too worn out to complete your divine assignment from God. God promises to send his warrior angels to drive out the enemy and to do spiritual warfare on our behalf. Refuse to be held hostage by fear and receive this blessing of Passover.

#### VIII. Relief, Restoration, Resources

29 But I will not drive them out in a single year, because the land would become desolate and the wild animals would multiply and threaten you.

30 I will drive them out a little at a time until your population has increased enough to take possession of the land.

31 And I will fix your boundaries from the Red Sea to the Mediterranean Sea,\* and from the eastern wilderness to the Euphrates River. I will hand over to you the people now living in the land, and you will drive them out ahead of you.

This blessing of the Passover removes the enemy's power and provides us with relief. God drives out our enemies so that we can increase AND inherit the land! God will also require full restitution from the enemy of anything that was previously stolen. God can turn what the enemy meant for evil and make it something good for us. God can reverse the enemy's curse. Here God blesses us with all the resources we will need to answer the demands of a higher call on our lives.

## XI. Freedom from Compromise and Corrupt Agreements

32 "Make no treaties with them or their gods.

33 They must not live in your land, or they will cause you to sin against me. If you serve their gods, you will be caught in the trap and snare of idolatry."

In these verses, God is warning us not to make agreements, contracts, connections, or even relationships with non-believers. Do not be deceived. One of Satan's strongest weapons is making us believe that we need to compromise and fraternize with the enemy or sinners. God is actually stating that He has a NO Tolerance Policy when it comes to Christians making ungodly alliances. God is able to bless us and we don't need to compromise. Do not make deals with the devil!

While change can be intimidating, at our Father's Passover Table He prepares our hearts and minds for whatever is to come. So, while the world grows darker and unsettling, by fixing our eyes on God as we receive the 9 blessings of Passover we become more than conquerors!

We need God to put the right connections, relationships, and covenants in place for our new season. We need Him to lead us in altering our habits and patterns so we can be set in place for the new season. And by sliding our feet under His Passover table we not only accept the truth that we need our Father's help, but we accept everything that that entails... we accept the 9 blessings of Passover so that we can answer our higher call!

The 9 blessings of Passover that God put in place were purposefully designed; and they are meant to fulfill every need for the coming year, so we can live our best lives...

I hope this teaching on the 9 blessings of Passover has revealed the importance of observing this special appointed time on God's calendar. I will continue this teaching on Passover next week

I want to offer everyone the opportunity to pray and make Jesus their Lord and Savior.

Jesus is the ONLY WAY to redeem your soul from sin.

Repeat this prayer with me.

Jesus I confess I am a sinner. I humble myself and repent of my sins. Please forgive me of my sins. I believe You sacrificed your life and rose again from the dead to secure my salvation. Jesus come into my heart and be my Lord and Savior. In Jesus name, Amen.

Thank you and God bless you.
