

Hello and Welcome, lets pray

Jesus anoint every word and scripture in this broadcast. Let every listener open their hearts and receive your Word. I pray for everyone that is sick, lost a loved one, treating patients, lost jobs, or being affected by this Covid-19 virus. I pray for our nation to receive God's divine protection again and our leaders to have God's wisdom and guidance. In Jesus name. Amen.

In some of my broadcasts, I have been teaching for over a year about the very "spiritually sick" condition of our nation. But I don't think many of you took my warning very seriously. Many of you just a few weeks ago were in great health. Most Americans enjoyed job security and your 401K was doing great along with the stock market. I imagine most had plenty of food. Basically, you were lulled into a false sense of comfort by Satan's lies. The Bible says in [1Thessalonians 5:3](#) For they shall say, Peace and safety; then sudden destruction comes upon them, like labor pains upon a woman giving birth to a child; and they shall not escape.

You see Americans are not immune from catastrophes and how fast all our security and institutions that we put so much faith in are collapsing right before our eyes. What a difference, just a few weeks and a microscopic virus can make.

Well now most of the country is locked down because of the Covid-19 virus, thousands are dying, millions have lost their jobs and businesses, children are being home-schooled, domestic abuse and suicides are on the rise, almost every basic service is strained to the point of collapse, and the U.S. government is powerless to come to the rescue of most citizens, what now??

Are you AWAKE now? Are you listening now? Who can you trust to have ALL the answers? Has this spiritually sick condition got your undivided attention? Where can you turn? Do you want God's answer?

This is what the Bible says in [Gal 6:5-9](#)

Every man shall bear his own sin and reap his own harvest. No one can hide their actions from God.

Do not be deceived; God is not mocked, ridiculed, or scorned

What seeds a man sows, the same seeds he planted are the seeds he will harvest.

For what seeds we sow to our flesh or sin nature, we will reap from our flesh ruin and destruction; but he that sows to the Spirit will reap from the Spirit a harvest from God which is eternal life.

So then, while we as individuals have the opportunity, let us do good to all people. Do not become weary in doing good because in due season we will reap blessings.

God's Word does not lie. Whatever we sow, we will reap. Well Americans having been sowing seeds of destruction, for example: The American media has mocked Christians and scorned our values. This nation has tolerated abortion and homosexuality.

Jesus and prayer has been removed from our schools and public places.

Christian students are afraid to speak up on college campuses for fear of retribution from professors and school organizations.

TV, radio, music, magazines, movies, and social media is full of ungodly content.

Some politicians push an ungodly agenda that is destroying the Christian foundations of our nation.

Even some who profess to be Christians have taken their focus off of seeking the Kingdom of God first, but now concentrate on how to make more money and buy more stuff.

I have said many times in the last year that it is time for America and especially American Christians to "Wake Up". Because Jesus says in

Mat 5:45 That you may be the children of your Father which is in heaven: but God makes the sun to rise on the evil and on the good, and God sends rain on the just and on the unjust.

You see this Covid-19 virus is a microbe that is affecting all continents, all nations, and all peoples.

So where do we go from here? What can we do as individuals to save our families and our nation?

I am calling for Christian Americans to enter a time of prayer and fasting for our nation and for our leaders. I am asking you to commit some time every week or every day if you can and fast a meal and use the time that you would to eat a meal and pray for our country. I want you to perform this every week during this virus outbreak and extend your prayers and fasting through the economic recovery and elections this year. I am asking you to pray for the current and future leaders. Pray for those that are sick and dying. Pray for those who are performing basic and necessary jobs like: Doctors, nurses, soldiers, police, firemen, postmen, grocery workers, truck drivers, delivery drivers, pharmacist, pastors, and utility workers. Please start this week and invite others to join you. Contact your church, your friends on Face book, co-workers, neighbors, and family. Start a prayer chain just like you would for a sick person who is very ill and needs healing.

God's Word says in [2Chronicles 7:14](#) **If my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

This scripture, tells God's followers and believers , not the heathen or ungodly, to humble themselves, repent of their sins, turn from their wicked ways and cry out in prayer to God to heal this nation.

It is up to American Christians to seek God and pray for this nation. Of course, I hope that many that are not born-again will also repent and pray for our nation to be healed and restored and blessed again.

In addition, God's Word instructs us to pray for those who are in authority over us.

In Psalms, the Word also says, that if the righteous foundations are removed, what can even a believer do?

America is under attack. America is at war. Yes we have foreign countries and terrorist groups that are our enemies. We also have some of our own citizens that would like to see America fail. These are foreign and domestic flesh and blood enemies. We are also under attack from a microbe called Covid-19.

However, we also have a spiritual enemy. This enemy is not flesh and blood, but an unseen power of darkness and wickedness in high spiritual places that is waging war against our nation. The spiritual war can't be fought with tanks, bullets, missiles, or vaccines. Also, you cannot defeat a satanic attack with highly educated arguments and state of the art medical technology. A spiritual attack is fought and won on our knees, praying, repenting, fasting and having a true change of heart.

We are not going to have a healthy nation if we don't stop the hate, the anger, the rage, the malicious acts, dirty political fighting, ungodly behavior, and caring more about obtaining personal power and wealth over addressing the serious needs of the people and returning to the Godly values of the Bible.

2 Thessalonians CHAPTER 2: 10-12

10 Satan will use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them.

11 So God will cause them to be greatly deceived, and they will believe Satan's lies.

12 Then they will be condemned for enjoying evil rather than believing the truth.

Are you being deceived and fooled by Satan's lies?

Are you refusing to act in love and accept the truth of God's Word that has the power to save you and your family from destruction?

Will you be condemned because you are enjoying an evil lifestyle or will you repent of your evil ways and accept God's truth?

You will reap what you sow

Your future of you and your family and the future of America is in your hands.

In closing, I urge you to pray for our very "sick" nation and its leadership. Remember, nothing is impossible with God.

Thousands are dying from this virus, medical science does not answers yet, and no one knows when their soul may be required of them. If you want to be sure that you will spend eternity in heaven with Jesus please repeat this prayer with me.

Jesus I confess I am a sinner. I repent of my sins. Please forgive me of my sins, as I forgive others. Jesus come into my heart and be my Lord and Savior. Jesus heal me of all my diseases. Jesus give me your divine protection and peace. In Jesus name, Amen.

Thank you and God bless.
