

Wilkins--Life Changing Word--Broadcast 1--July 23, 2019

Hello everyone, I am Deborah Lane and I will be your host and Bible teacher.

This is my first radio broadcast on this station and in your city. So I would like to say welcome to everyone and say thank you for listening. I hope that you will tune in to my broadcast on a regular basis and I pray that you will learn and grow in God's Word. Hopefully, you will gain new insights as to how to apply God's Word to your daily life and receive practical answers to the issues that you face.

I like to start every broadcast with an opening prayer. Please agree and pray with me for today's program.

Jesus, I pray that Your divine anointing will be on every word spoken during this broadcast and that Your divine purposes will be accomplished in every listener's life. I pray that hearts will be changed, minds will be renewed, and hurting people healed because of Your Word. Jesus give us Your divine love, peace, joy, protection, provision, wisdom, discernment, strength, and favor. But most of all, bring us unto the knowledge of Jesus as Lord and Savior. I pray for all those who are in authority over us and for those who defend and protect us each day. I thank you Jesus for the privilege to speak Your Word to this radio audience. Jesus I dedicate this broadcast to You and to Your glory. In Jesus name, I pray.

So what made me decide to do a Christian radio program.

I had been praying for my family and friends. Many had very complicated and serious issues. My friends and family often ask me for wisdom and help in making important decisions.

I had prayed and asked God for wisdom to help my friends and family.

That is when I really felt in my heart God speak to me. God instructed me to get His Word out to the people I cared about. God spoke this scripture to me

Isaiah 55:11 So shall my word be that goes out of my mouth: it shall not **return** unto me **void** or without producing results, but it shall accomplish that which I please and purpose, and it shall prosper *in the thing* for which I sent it.

You see, God's Word contains power and authority when we speak and pray scriptures over our lives or our circumstances. God's Word is the only words that

carry a superior and ultimate truth every time and all the time.

Many people confuse the word truth with the word facts. For example, you can have medical tests done and the doctor will report back to you a fact that medicine offers no cure. But God's Word offers you a greater truth than that fact from a medical test.

God's Word says in: [Isaiah 53:5](#) with his stripes we are healed. So are you going to put more faith in a medical report or God's Word.

God's Word is truth and always takes priority and overrules facts generated by human wisdom or ability.

We are bombarded by negativity today. We hear negative news reports, we get negative responses on social media, we get negative comments by teachers or employers.

We are overwhelmed with criticism, shame, disapproval, and condemnation. Too many people accept the opinions of other humans as facts and truth.

So at first, I decided to start sending scriptures from the Bible to my family and friends by text message.

I began sending out scriptures and short teachings on those scriptures to about 20 people.

I was very surprised by the positive responses that I received from family and friends.

Then my brother who listens to short wave radio encouraged me to inquire about getting a time slot on Christian radio and reading scripture and doing a teaching.

So that is how I am now here sharing God's Word with you today. On this radio broadcast you are going to be taught God's Word and how to apply it in a practical and common sense way.

That is why I call the program, Life Changing Word.

The Word of God contains the answer to every question.

The Word is God's legal contract and document with humanity.

The Word is God's manual on how to live a productive and meaningful and successful life.

The Word tells us how to have long, loving, and contented marriages.

The Word tells us how to be the best parents.

The Word tells us how to be successful business people and good neighbors.

The Word tells us how to create just and free governments.

The Word tells us how to live healthy lifestyles, grow old gracefully, and how to be satisfied with long lives.

The Word tells us how to manage our finances.

The Word tells us about the future of our planet and the end of this world age and how to prepare for it.

The Word tells us how to defend ourselves against our enemies.

The Word tells us what to do to redeem our eternal souls from sin and how to secure eternal life and how to spend eternity with God the father and to avoid hell and eternal damnation.

It is God's divine will and testament.

It is the most important document you will ever read or neglect to read!

So unless you have got ALL the answers and lack for nothing, this program, Life Changing Word, is being produced for your benefit.

God is giving you another opportunity to receive His Word, instruction, knowledge, wisdom, answers, healing, blessings, salvation, eternal life, and a NEW Beginning.

God is giving you a DO-OVER!

God is saying it is time to hit the RE-SET Button on your life.

God is offering you a NEW Beginning Today!

Honestly, you have been directing your life and calling the shots probably for a long time now. I have to ask you, "How's that been working for you".

There are blessings to gain.

Equally, there are curses to avoid.

The way you conduct your life will determine if you and your family and your children's children will be blessed or cursed.

I hope this gets your attention!

God is not playing.

God is very serious.

God WANTS to BLESS all human beings.

God has always wanted to Bless humanity.

We are His greatest creation. God loves us!

God created us so he could have a family to love, bless, and fellowship with.

God created a perfect planet with oxygen and water and plants and animals and placed us in a beautiful garden. He gave Adam a helpmate, Eve. God's intentions toward mankind was to create a family that He could bless and love and see multiply and grow.

If God created us, just to make our lives miserable, why didn't he just put us on Pluto or an entire planet that was exploding with volcanic ash and hot lava like the big island of Hawaii is doing just now.

Why did he create such a complex and unique planet and atmosphere like earth, that our most sophisticated scientists and telescopes and space probes can't find a duplicate planet like earth for the millions of light years that they have been able to explore as of yet.

What is more interesting is that WE were created to be so connected to this planet. Scientist are finding out just how hard it will be to Disconnect from this planet even if we could travel to distant galaxies.

No we are not here by Big Bang or any other ACCIDENT!

We were created by an Almighty and Strategic God with a Strategic Plan and each of us are here on purpose to fulfill a specific divine mission from God.

God's strategic plan for humanity is all laid out in His divine Word, the Bible.

God's plan for your individual life, your marriage, your children, your country, your health, your finances, just everything that you ever wanted to know, but were afraid to ask.

It is in God's Life Changing Word! The Bible!!

I am very interested in praying for you. My announcer will give you my web site information and mailing address to send me your prayer request.

I want to offer everyone the opportunity to pray and ask Jesus to become their Lord and Savior. This prayer will give you the chance to secure external life and be born again. Jesus is the **ONLY WAY** to redeem your soul from sin and to secure eternal life. Repeat this prayer with me.

Jesus I confess I am a sinner. I humble myself and repent of my sins. Please forgive me of my sins. I believe You sacrificed your life and rose again from the dead to secure my salvation. Jesus come into my heart and be my Lord and Savior. Jesus help me live my life for you from this day forth. In Jesus name, we pray.

If you said this prayer, please write me and acknowledge that you have received Jesus. Public confession is part of the process.

Also, find a local church and start attending. The local church helps new believers to become rooted and grounded in the Word of God. Every believer needs this to grow and to become a strong and stable Christian.

Please tune in each week and we will read and study God's Word together.

Finally, always remember to speak, pray, read, study, and **DO** God's life changing Word.

Thank you and God bless you.
