

Hello and Welcome

Let's pray

Jesus, I pray for those who are sick today. Jesus let all those whose listen today be healed as they hear Your Word spoken. Build faith and a persistent spirit in their hearts and minds to believe God's Word and only God's Word regarding their healing. In Jesus name, Amen.

Last week I shared some basic principles that I follow and they have resulted in healing victories for me and my family. But, I want to stress that this was not some manmade set of rules or that by MY works, I received healing or my family receives healing.

Healing is a free gift from God, provided by Jesus' sacrifice during crucifixion. We do not earn healing by our works. However, we can be tempted to lose focus and dilute our faith and we begin to believe only what we can see or what some doctor says more than what God's Word says. Sickness is an enemy and you must CONFRONT sickness just like any other enemy. You must arm yourself with the whole armor of God. I suggest praying the whole armor of God over yourself and loved ones in your daily prayers. You can read about the armor of God in:

[Eph 6:10-19](#)

Be strong in the Lord, and in the power of his might.

Put on the whole armor of God, that ye may be able to stand against the tricks of the devil.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.

So take unto you the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.

Then just stand firmly, having your sides covered with the truth, and having on the bulletproof vest of righteousness;

And your feet planted with the preparation of the gospel of peace;

Above all, taking the shield of faith, to be able to quench all the fiery darts of the wicked.

And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel,

The basic steps I shared last broadcast are the ways I confront "The System" of negativity and doubt that starts to surround and defeat people who are sick. These are ways that I stay on course and avoid the traps of medical facts versus God's truth written in the Bible.

I want you to see what happens in this Bible story and how Jesus confronts negativity and "the system" that tried to keep Jay-Iris from believing his daughter could be healed. Also, I want you to be amazed by the sick woman who actually broke the law, but was going to do whatever it took to receive healing from Jesus.

Let's read:

Mar 5:21-41 And when Jesus was passed over again by ship unto the other side, many people gathered unto him: and he was nigh unto the sea.

Mar 5:22 And, behold, there cometh one of the rulers of the synagogue, Jairus by name; and when he saw him, he fell at his feet,

Mar 5:23 And begged him, saying, My little daughter is at the point of death: *I pray thee*, come and lay your hands on her, that she may be healed; and so she shall live.

Mar 5:24 And *Jesus* went with him; and many people followed him, and crowded him.

Mar 5:25 And a certain woman, which had an issue of blood twelve years,

Mar 5:26 And had suffered many things of many physicians, and had spent all that she had, and was no better, but rather grew worse,

Mar 5:27 When she had heard of Jesus, came pressed from behind, and touched his garment.

Mar 5:28 For she said, If I may touch but his clothes, I shall be whole.

Mar 5:29 And straightway the fountain of her blood was dried up; and she felt in *her* body that she was healed of that plague.

Mar 5:30 And Jesus, immediately knowing in himself that power had gone out of him, turned him about in the crowd, and said, **Who touched my clothes?**

Mar 5:31 And his disciples said unto him, You see the multitude crowding around you, and ask, Who touched me?

Mar 5:32 And he looked round about to see her that had done this thing.

Mar 5:33 But the woman fearing and trembling, knowing what was done in her, came and fell down before him, and told him all the truth.

Mar 5:34 And he said unto her, **Daughter, thy faith hath made thee whole; go in peace, and be whole of thy plague.**

Mar 5:35 While Jesus spoke, there came word from the ruler of the synagogue's *house* which said, Your daughter is dead: why trouble the Master any further?

Mar 5:36 As soon as Jesus heard the word that was spoken, he said to the ruler of the synagogue, **Be not afraid, only believe.**

Mar 5:37 And he allowed no man to follow him, except Peter, and James, and John the brother of James.

Mar 5:38 And Jesus came to the house of the ruler of the synagogue, and saw the uproar of those gathered, and the people that wept and wailed greatly.

Mar 5:39 And when Jesus came in, he said unto them, **Why are you making this commotion, and weeping? the daughter is not dead, but sleeps.**

Mar 5:40 And they laughed him to scorn. But when he had put them all out, he took the father and the mother of the young girl, and them that were with him, and entered in where the young girl was lying.

Mar 5:41 And he took the by the hand, and said unto her, Damsel, I say unto thee, arise.

Mar 5:42 And straightway the young girl arose, and walked; for

she was twelve years old. And they were astonished with a great astonishment.

Look first at what Jesus did to bring healing to the young girl. Jesus started to her house, but was interrupted by the woman with the issue of blood. Then word came from the girl's house, "Do not trouble the Master, because the girl has died". I do not think Jesus felt troubled to go and heal someone or if necessary to raise them from the dead. Jesus said to her father, "Be not afraid, only believe". Then Jesus only took three of his disciples, because Jesus needed the strongest believers with him on this mission. If Jesus was selective about the prayer partners he wanted, then we should limit those people who occupy space around us when we are sick to strong believers also. Finally, Jesus cleared the house of the people that were scorning and laughing at the faith words Jesus spoke over the situation. Have you been scorned by family, friends, church people, or medical professionals when you speak faith over your sickness? Well I have. I was told that I was just in shock or denial. That I needed to face the reality of the situation. Well if that is happening to you, clear the room, the house, your life and get those unbelievers out of your environment. Jesus only took the people that had one focus on their mind and that was total healing into the child's bedroom. Then Jesus just spoke and said arise to the girl and she was healed. Follow this example, if you truly need and desire healing. Find only the people who are true faith-filled believers and clear your life of the scorners and speak God's Word over your situation and you will be healed.

Next let us look at the amazing woman with the issue of blood and her determination to be healed. According to Jewish law, if a woman had an hemorrhage of blood and went out in public and mingled with other people she was breaking the law. She was considered "unclean". She would have made everyone she touched "unclean". But she had the audacity to approach Holy and pure Jesus, even though she was "unclean". She was determined to be healed and pressed in close enough to touch the hem of Jesus garment. Maybe she thought she would just secretly get healed and slip away unnoticed. Instead, her great faith and determination to be healed, placed such a strong demand on Jesus that he literally felt it. She had not asked him to pray for her, she

did not speak to him at all, she did not even touch his body. She only touched his garment and Jesus still felt the demand her faith placed on his healing power.

I also want to make another point. In ancient times, they did not have microscopes and x-ray machines. Instead, God had given certain laws to isolate or quarantine sick people to protect the general population from contracting and spreading diseases. This woman was considered unclean, untouchable, and a social outcast, by law. However, she approached a Holy and pure Jesus by faith and got everything restored in one touch. Jesus did not reject her. Jesus can handle the worst of the worst. She got her healing, she got to be free to touch and be touched by others, she got her life back. So if you feel like you are untouchable, rejected by loved ones, isolated from enjoying life, abandoned by friends, and a social leper, approach Jesus. Jesus will not turn you away. One touch from Jesus can change everything. One touch from Jesus can turn your whole life around.

Let me ask you, How desperate are you to be healed? What lengths are you willing to go to for healing? Have you already spent all your money? Have you maxed out your insurance? Have you tried every experimental drug available to you and you are still sick and they have given you no hope of recovery? What will it take for you to just put your trust in Jesus?

Jesus literally said that it was her FAITH that made her whole. If it happened for this woman, Jesus will do it for you, Faith will do it for you, the same healing power will heal you too.

I want to offer everyone the opportunity to be healed and to make Jesus their Lord and Savior. Repeat this prayer with me.

Jesus I confess I am a sinner. I humble myself and repent of my sins. Please forgive me. Jesus come into my heart and be my Lord and Savior. Jesus heal me of all my diseases. Jesus take all my pain and symptoms and give me peace and a good night sleep. In Jesus name, Amen.

Thank you and God bless you.
